ITINERARY

Day 1: Reykjavik – Snaefellsnes Peninsula

This morning you pick up your rental vehicle and drive north from Reykjavik along the beautiful west coast of Iceland to the Snaefellsnes Peninsula. You will spend two nights in this fantastic area, giving you time to explore the region. Less visited than the south coast you'll find fewer tourists here and more time to enjoy the quiet and peaceful nature.

Day 2: Snaefellsnes Peninsula

A full day today to explore, do some hiking, kayaking, take a boat tour out on Breidafjörður Bay, a tour up onto the Snaefellsjökull glacier or just relax and enjoy the ocean side views with seals sunning themselves on the rocks and puffins by the thousands.

Day 3: Return to Reykjavik

Today you will drive back south to Reykjavik and turn in your rental vehicle. You may choose to stay on in Reykjavik for a few nights, join an escorted tour or fly on to your next destination. If you are flying out of Keflavik International Airport today we can arrange for you to drop off your rental vehicle at the airport for a small drop fee. Please inquire for pricing.

TOUR NOTES

The Snaefellsnes Peninsula is said to offer a broad view of Iceland's geology, geography, flora and fauna and is a spectacular and magical place. Home to the volcano that inspired the entry point to the centre of the earth in Jules Verne's novel "Journey to the Centre of the Earth", it won't fail to impress!

Worried about finding your way around? Don't be! We'll give you the best possible driving directions, written by Icelanders (translated into English, of course!), in addition to a GPS in the rental vehicle and a mobile phone, yours to keep.

You may choose to upgrade your rental vehicle to a larger size, a 4WD, an automatic transmission, a van or luxury vehicle. Please request a quote.
