ITINERARY

Day 1: Goreme

There are no activities planned today so you are free to arrive in Goreme at any time. In the evening our guide will hold a welcome meeting to discuss the week ahead, give advice on the local area and answer any questions.

Day 2: Akvadi (White Valley)

Today's trek takes you through the Akvadi Valley. Perfectly eroded over time this fascinating landscape presents curious rock formations and fairytale chimneys that wouldn't look out of place in a Dali painting. If you are lucky you may spot wildlife such as the beautiful hoopoe (with its distinctive call) or an Eurasian fox along the way. After approximately 3 hours of walking you will arrive at Uchisar village where you will have lunch in a local restaurant before climbing the citadel embedded into the rock above. From here you will be rewarded with a spectacular view of the surrounding surreal landscape. In the afternoon you will follow a path that leads you to the Guvercinlik (or Pigeon Valley) where pigeons are encouraged to roost so the local people from the region can collect their droppings to use as fertiliser. Your group will then continue to the town of Goreme.

Walk: Distance 12 km Ascent 400 m Descent 400 m Max Altitude 1350 m Time: 5 hours

Day 3: Mustafpasa

Today you have a short transfer before the start your trek in Zemi valley. The path leads you through orchards and mesmerizing tunnels to a Panoramic view point, where you meet your bus and drive to Ayvali. In the afternoon you have a short walk through the Gomed Valley from Ayvali to Mustafapa a village where you will stop for tea break in a local cafe. Mustafapasa used to be one of the richest towns in Anatolia until the 1924 population exchange, which forced the Greeks living in Turkey to move to Greece and vice versa. You will be able to spot the Greek influence on the architecture on some of these buildings. In the afternoon there is time to explore this village before returning to your hotel.

Walk: Distance 11 km Ascent 280m Descent 400m Max Altitude 1150m Time: 5-6 hours

Day 4: Kizilcukur Valley (Red Valley)

After breakfast you will be transferred to the beautiful Pancarlik Valley. Smooth surfaces on the rock face undulate like waves, whilst the pastel colours intertwined with vineyards and cultivated gardens add colour to this extraordinary landscape. It is also possible spot Sarica and Kepez churches ingrained into the rock chimneys that rise forcefully from the ground. After lunch you will head through the Kizilcukur Valley, also known as the Red Valley, for the dramatic sunset colours. Amongst the network of paths that connect the small villages of this valley you will visit some of the churches that pepper the area before arriving at Goreme.

Walk: Distance 12 km Ascent 200 m Descent 200 m Max Altitude 1200 m Time: 5-6 hours

Day 5: Pasabaglari (Monk's Valley)

Today your trek takes us through Pasabaglari, formerly known as Monk's Valley. Here it is possible to see the dwellings of the hermits of Cappadocia who distanced themselves from the world by carving their abodes high up in the rock chimneys, using footholes and rope to climb in. Inside these dwellings are surprisingly spacious with some rooms hollowed out to around 15m high. Once through the valley you will head up to Bozdag, the highest point in Cappadocia, offering some outstanding views.

Walk: Distance 11 km Ascent 300 m Descent 200 m Max Altitude 1300 m Time: 5 hours

Day 6: Kaymakli

In the morning you will be transferred to the underground city of Kaymakli, built by early Christians to avoid religious persecution. This fascinating construction is an elaborate system of tunnels and caves, featuring everything from communal living spaces and kitchens, to stables, a church and graveyard, not to mention being fortified to protect its inhabitants. You will then be driven to the village of Selime where you begin your walk following the Melendiz river until you reach Belisirma where you will stop for lunch. In the afternoon you will head down the Ihlara Valley, the deepest and longest valley in the region, passing Byzantine monasteries and churches that date back to the 11th Century, before arriving back in Cappadocia.

Walk: Distance 7 km Ascent 100 m Descent 200 m Max Altitude 1300 m Time: 4-5 hours

Day 7: Goreme Valley

Your last day takes you through the Zindanonu Valley and up onto a viewpoint of the town of Goreme and the Goreme open air museum. The Goreme Valley itself holds some of the finest collections of painted cave churches in the region. In around 1000-1200 AD orthodox monks carved places of worship from the soft volcanic stone and decorated them with beautifully elaborate Byzantine frescoes, many of which are still very much intact to this day. The late afternoon is then free to unwind after a truly memorable week.

Walk: Distance 7 km Ascent 200 m Descent 0 m Max Altitude 1300 m Time: 2 hours

Day 8: Goreme

Your adventure ends after breakfast in Goreme.
