4 days/3 nights

### ITINERARY

#### Day 1: Gangler's Lodge - Churchill

Say farewell to Gangler's Lodge and Eco-Adventures and board the charter flight bound for Churchill. On arrival Gangler's lodge will transfer you to your downtown hotel on the main street of the town of Churchill. Check in before heading out for your afternoon Town and Area Tour. After your tour the rest of the afternoon and evening are free to explore the town, enjoy a meal at one of the local restaurants before settling into your room for a good night's rest.

#### Day 2: Churchill

Today you will join a three-hour boat tour to view the pods of Beluga Whales. These magnificent, playful creatures migrate along the coast of the Hudson Bay by the thousands in the summer months. The boats are equipped with stereo hydrophones that magnify the vocalizations of these beautiful white whales. An interpretive tour of the historic Fort Prince of Wales is included. The remainder of the day is free to visit the Parks Canada Heritage Centre or the renowned Eskimo Museum.

#### Day 3: Churchill

Today you'll enjoy a zodiac trip out on the bay to spend more time with the belugas. Note: the boat trip times are dependant on the tide. The rest of the day is free to do your own thing or book on some optional tours like a Tundra Buggy tour, dog-carting, kayaking or paddle boarding or a nature-based tour or hike out in the countryside. Please ask us to provide you with the details and prices of optional add-ons.

#### Day 4: Churchill - Winnipeg

Take last minute photos, visit the gift shops and have a final look around Churchill. You will be transferred by your hotel to the airport for departure later this afternoon.

Depending on the schedule of the tides you may be able to add in a second beluga boat tour, go kayaking, paddle

boarding or snorkelling with the belugas. Book on a Tundra Buggy tour, go for a dog cart ride or take a Roads and Trails tour to discover the natural history of the area. We will check out your options for the dates you will be in Churchill and advise you of the add-on tours that may be available to you and the cost to add them on to your package tour.

Components of this program may be re-ordered to take the best advantage of tour schedules and the order of the program may vary from that shown above.
