Victoria Falls Safari Lodge has been voted the Best Safari Lodge/Resort Hotel in Zimbabwe for 22 consecutive years by the Association of Zimbabwe Travel Agents.

#### **Day 6: Victoria Falls**

Victoria Falls Zimbabwean Side

The Victoria Falls is one of the seven natural wonders of the world. David Livingstone was the first European to visit the Falls, and named it after Queen Victoria. To the locals, it is known as Mosi-oa-Tunya The Smoke that Thunders an accurate description of what happens when the waters of the Zambezi River plunge over the 1700 metre wide and 100-metre deep chasm, creating a shower of spray and a deafening noise. From February to May each year, the Victoria Falls are in full flood and 500 million litres of water tumble over the edge into a series of gorges each minute! After a briefing and explanation of the Falls, your guide accompanies you along the 1.7 kilometre scenic pathways of the rainforest, stopping at numerous viewpoints to gaze at the Falls. The tour is approximately 1 – 2 hour. Includes transfers to and from your hotel.

#### **Day 7: Victoria Falls – Kasane-Savuti Camp**

You will be transferred by road to the Kasane Airstrip to catch your circuit flight to Savuti Camp in the Linyanti Concession.

Savuti Camp is situated in the private Linyanti Concession along the Savute Channel. This channel is a magnet for thirsty wildlife. This intimate camp's en-suite accommodation is in seven large raised tents. It has elevated wooden decks extending out over the channel with a small pool, fire pit and wonderful views along and across the channel.

#### **Day 8 & 9: Savuti Camp**

During your stay at Savuti Camp, you will enjoy morning and afternoon game drives every day to reveal the rich wildlife of the area where predators and elephant are often the highlight.

You can also choose to go on a walking safari to observe the many signs of the wild from tracks on the ground to the sounds of the wilderness around you as you explore your surroundings on foot with an experienced guide. Or, experience a whole new safari as you explore after dark for those animals that only come out at night.

#### **Day 10: Savuti Camp – Seba Camp**

Eight luxury tents include two designed for families, with interconnecting bedrooms and plunge pools. Access the bush by game drive, mokoro (a type of canoe) or on guided walks.

#### **Day 11 & 12: Seba Camp**

Seba Camp is set in a wildlife wonderland overlooking a perennial lagoon. Its riverine situation in a forest of majestic hardwood trees plays host to prolific birdlife, while on the concession a variety of land and water game-viewing activities ensure that Seba delivers a classic Okavango Delta safari experience.

While staying at Seba Camp, you will be taken on twice daily game drives and have the opportunity for night drives, walking safaris, mokoro safaris, or have a relaxing day by the pool.

#### **Day 13: Seba Camp – Maun – Johannesburg**

After a morning game drive at Seba Camp you will be transferred to Maun Airstrip and fly from there to Johannesburg. You will stay at a conveniently located airport hotel, the Protea Southern Sun or similar.

Johannesburg is one of Africa's biggest and most vibrant cities. It is the economic capital of Africa and the gateway to Southern Africa. Although not as famous as other South African destinations, there is plenty to do in Johannesburg and nearby Pretoria. The old city is a multi-cultural mixture of traditional medicine shops, Chinese restaurants, taxi ranks and ultra modern skyscrapers. There are excellent museums, art galleries and organised tours of historical and political interest. The shopping is Southern Africa's best and the many restaurants cater for all tastes. The nearby township of Soweto is Johannesburg's most popular tourist attraction.

#### Day 14: Depart Johannesburg

##### Private Half Day Apartheid Museum & Soweto

This tour of approximately 5 hours provides a great opportunity to take a closer look at South Africa's turbulent past; by combining a drive through Soweto with a visit to the Apartheid Museum, regarded as the pre-eminent museum in the world dealing with 20th-century South Africa, at the heart of which is the story of apartheid. The Museum opened its doors in 2001. Here you will embark on a historical voyage of discovery, a personal exploration of the past that examines apartheid right up to the first democratic elections held in 1994. The tour of the museum lasts approximately two hours. We then continue to Soweto, a sprawling residential area that has become a "city within a city". Soweto is home to approximately two million people, many of whom work in various parts of the greater Johannesburg metropolitan area. We follow a route that takes us past all the major points of interest, including the Chris Hani Baragwanath Hospital, Baragwanath taxi rank, Regina Mundi church, Hector Pieterse Memorial and Nelson Mandela's former home. You are dropped off at your hotel following the tour.

At the conclusion of your tour you will be dropped off at the O. R. Tambo International Airport for your departing flight out of Johannesburg.

If you wish to extend your stay here or travel elsewhere in Africa or beyond, please ask us to make the arrangements for you as an extension to this group tour.

## TOUR NOTES

**Optional add-on tours, pre-booking required to guarantee space:**

### **Victoria Falls:**

#### **Ra-Ikane Sunset Cruise**

The Ra-Ikane, named after the guide who led David Livingstone to the Victoria Falls, was hand-built to resemble a turn-of-the-century riverboat, and is luxuriously finished with teak superstructure, brass fittings, a carpeted deck and club chairs and tables giving guests a taste of Victorian splendour in the heart of Africa. On arrival, you are welcomed with a cocktail and served tea and cakes whilst given a safety talk and a brief history of the river. The cruise takes you through a scenically beautiful area of the Zambezi. Large animals such as elephant, hippo and crocodiles are frequently seen, as well as a wide diversity of other game and bird life. Being a mono hull, the boat has a low profile in the water and you are comfortably seated closer to the water line than on the conventional pontoon cruise boats. The boat is staffed with a captain, guide, hostess and waiter to ensure that all your needs are met. A flat deck allows for plenty of room to get up and move around during the cruise and maximize the experience. Drinks from a fully stocked bar as well as a range of snacks are included.

#### **Livingstone Island Lunch**

When Livingstone travelled downstream in November 1855 with the local Tonga tribesmen, he camped for several days on an island to explore his discovery, the Victoria Falls, and its surrounds. Now protected by National Parks, and aptly named Livingstone Island, it has become one of the worlds most unusual picnic sites. The Island is located in the middle of the Zambezi River and is perched on the very lip of the Falls on the Zambian side. Accessed by boat, your personal waiter will serve you a sumptuous three-course picnic meal, including champagne only a few meters from the spray of the Falls, the widest curtain of water in the world. NB. This activity is water-level dependent. We cater for a maximum of 16 persons. Wine, beer and soft drinks are included as well as park entry fees. Swimming in the Devils Pool may be an option (bring your bathing suit and towel along), subject to timing on the excursion and water levels.

#### **Flight of the Angels Helicopter Excursion**

This ideal birds-eye aerial view of the Zambezi River, the Victoria Falls and the gorges can be viewed by light aircraft (fixed wing) or Bell helicopter (Jet Ranger 4 passengers, Long Ranger 6 passengers). View the Zambezi from the air in all its beauty as it flows to the Falls, where it throws up a cloud of spray that sometimes reaches 300 metres high. The excursion also gives you a better understanding of the zigzag gorge system and how it developed it also ideally complements a ground tour of the Falls and its surrounding rainforest. Helicopter flights are weather-permitting. No age restriction. specific weight or health requirements apply. Please note that each helicopter has a middle seat and there is no guarantee of a window seat – it is on a first come, first serve basis.
