

## Ultimate Arctic Summer Adventure 2020

Summer 2020 is the perfect time to visit Churchill. With fewer people travelling it will be less crowded in the town but there will still be up to 60,000 Beluga Whales filling the Hudson Bay and Churchill River, as well as polar bears leaving the pack ice. Experience the beauty of this part of Manitoba with opportunities to see polar bears, beluga whales, seals and a variety of Arctic animals and migrating bird species.

6 days/5 nights

### ITINERARY

#### Day 1: Arrive Churchill

Arrive into Churchill on your flight or VIA train from Winnipeg. You'll be transferred from the airport or train station to the cozy and comfortable Lazy Bear Lodge for your six-night stay. It will be your home base for the activity tours over the next few days. A hearty breakfast is included daily at the lodge, beginning on Day 2.

#### Day 2-5: Churchill

Over the course of the next four days experienced local guides will take you to beautiful wild places that offer the very best opportunities to see Polar Bears, Beluga Whales, Arctic Sik Siks, over 200 nesting or migrating bird species, seals, Arctic Hare, Arctic Fox, and more.

Our guides will take you in the Sam Hearne—a coast guard certified custom-built boat—on an adventure to experience one of the more remote Polar Bear viewing areas on the west side of Hudson Bay. You will have the opportunity to view polar bears in their summer environment, swimming and walking around the rocks and wildflowers. Weather and wildlife permitting, you will disembark the boat and walk with polar bears.

Along the same shoreline, hundreds of Beluga Whales come to feed, mate and give birth in the warm, shallow near-coastal waters. Our Beluga Whale Boat/Fort Tour will focus on viewing the beautiful beluga whales in their natural habitat in the Churchill River and into the Hudson Bay area as they feed on schools of caplin, arctic char and brook trout. We will also go ashore for a walking tour of the historic Prince of Wales Fort. Aqua Gliding and kayaking with the whales are available as optional extras.

Next, you may hop on a bonus summer Tundra Tour in our Arctic Crawlers™ to view the beautiful landscape. This tour will be on the same vehicles we use for our fall Tundra Tour. Later that evening after a delectable supper, depending on weather and cloud coverage, it may be possible to see the Northern Lights.

The Cultural and Heritage Tour takes you to Churchill and the surrounding area where you will be exploring various historic sites. These include Cape Merry, an outside tour of the polar bear holding facility, the wreckage of the famous plane, "Miss Piggy", and many other historic sites that make Churchill the town it is today. You may walk around and take pictures or stay on the bus if you prefer.

Please note, the order of the touring components is subject to weather conditions and may be changed without advance notice.
