ITINERARY

Day 1 - Anticipation begins!

You will arrive in Winnipeg on your own travel arrangements and overnight at The Grand Hotel, Winnipeg Airport. At 7:00 pm there will be a group dinner at the hotel where you will meet your guide and other tour participants. (D)

Meal codes: (B) = Breakfast (L) = Lunch (D) = Dinner

This is a very unique program and is sure to be the trip of a lifetime. The owners and staff routinely deal with the unique situations that arise from having polar bears in such close proximity with humans. There is an overwhelming abundance of wildlife in the area to photograph and enjoy. There is a variety of migratory birds including geese, wolves and moose. It is very common during the season to record over 400 bears passing by the Lodge. Our daily record from 2005 is 17 bears around the Lodge in just 9 hours. Photo opportunities present themselves often from inside the 8 foot buffalo fence, with bears as close as 3 feet away. Come and join us on what is sure to be an adventure to remember.

Day 2 - Winnipeg - Churchill - Nanuk Polar Bear Lodge

You will depart Winnipeg for Churchill early in the morning on Calm Air International. Upon arrival you will transfer to a private charter for your one hour flight to [Nanuk Polar Bear Lodge](#). You may have some great opportunities for aerial photography during the flight so make sure you have your cameras ready. Upon arrival at the Lodge you will receive a tour and be shown to your room to get settled. Check out our library which includes local maps and information as well as our gift shop. Lunch is served shortly after your arrival, and you will be given an orientation on your stay in polar bear country. This day includes an interpretive walk on the inland Palsa Bogs, Tundra Ponds and Taiga Forest. Appetizers and cocktails are served at 6:00 pm and your gourmet dinner is served at 7:00 pm. After dinner there will be an informative lecture or slide show presentation. Lights are out at 10:00 pm - this is when the generator is turned off. If it is a clear night you will have the chance to view the Aurora Borealis (northern lights).

There is the option available for anyone to stay behind to take photos of the wildlife around the Lodge and relax.

Daily outings rotate through the following:

- An ATV coastal tour to the tidal flats and Hudson Bay shoreline, including a viewing of the historic vessel the 'Mooswa'. Lunch and a tea boil are served around the campfire.
- A full day photo tour to the coast of Hudson Bay to photograph the polar bears and other abundant wildlife in their unique landscape. Lunch and a tea boil are served around the campfire. After lunch you will explore the river deltas and coastal eskers.

Appetizers and cocktails are served at 6:00 pm and your gourmet dinner is served at 7:00 pm. After dinner there will be an informative lecture, slide show presentation, or informal visiting. Aurora Borealis viewing after dark if conditions are optimal including gentle wake-up calls.
