ITINERARY

Day 1: Reykjavik - Vagar, Faroe Islands

Arrive at Vagar on board Atlantic Airways and pick up your rental car from the airport counter. Drive to the nearby 62°N Hotel for check in. Spend the rest of the day exploring Vagar island. The waterfall at Gasadalur is well worth a visit!

You may also choose to add in a boat tour along the Vestmanna Seacliffs, which are rich in birdlife and fascinating cliff faces. Please request a quote for this optional add-on tour.

Day 2: Vagar - Torshavn

After breakfast check out of your hotel and continue to explore Vagar. There is an option to take the morning ferry from Sørvágur to the neighbouring island of [Mykines](#), renowned for its extraordinary birdlife and landscapes. The guided tour of the island, which includes the round-trip ferry transportation, services of a guide and a picnic lunch must be booked in advance as the number of people allowed on the island each day is strictly controlled. Please ask us for a quote to add this tour into your program.

Drive to Torshavn, the capital city of the Faroe Islands. On this drive you'll travel through a long underwater tunnel that crosses beneath Vestmannasund. Check in to your hotel in Torshavn for a two night stay. Enjoy the evening, perhaps taking a stroll along the harbour, filled with colourful boats and taking the opportunity to dine at one of the many fine restaurants.

Day 3: Torshavn

Based in Torshavn, you will have time to visit the town and its many quaint streets, its harbour and the local museums. Or drive down the southwest coast of the island, and perhaps take your car for a day trip to Sandoy, the next island to the south. There are escorted day tours of Torshavn and area should you wish to have a guided excursion.

Day 4: Torshavn - Suderoy

Depart in the morning by ferry to the southern island of Suderoy. Fare is payable locally. The sailing on board the Smyril will take approximately two hours, and following arrival, you will head to the Hotel Tvoroyri where you have accommodation confirmed for the next two nights.

Day 5: Suderoy

While distances in the islands may seem small, the wild Atlantic Ocean kept their cultural distinctions strong. Spellbinding cliffs, magnificent light, ancient Viking cultures and marked hikes that date back one thousand years are here to enchant the visitor. There is no shortage of fascinating sites, historical wonders and awe-inspiring scenery on Suderoy to keep you enthralled.

Day 6: Suderoy - Torshavn - Gjogv

An early start on ferry to Torshavn. Head northeast to [Gjogv](#), a beautiful community on the island of Eysturoy. A side-trip from Hvalvik to Saksun is well worthwhile. Just beyond Hvalvik is the "[Bridge across the Atlantic](#)", which links the islands of Stremoy and its neighbour Eysturoy. In Gjogv, you will have two nights of accommodation at

the [Gjaargardur Guesthouse](#). The guesthouse serves a set-course menu every evening which you can purchase locally.

Day 7: Gjogv

A full day to hike on the beautiful, green hills, enjoy the tranquillity of the village or simply relax! Whatever you decide to do, this is a gorgeous spot!

Day 8: Gjogv - Vagar - Depart

Drive back to Vagar airport today, turn in your rental car and check in for your flight back to Reykjavik. It's time to say farewell to these remarkable islands.
