Ilulissat Image of Ice

Icebergs fill the fjord right outside the town and can be experienced at close range on a midnight cruise or during a full day excursion to the impressive Eqi glacier. Sail to small and remote settlements, where "the old world" Greenlandic tradition lives on.

ITINERARY

Day 1: Arrive Iceland – fly to Ilulissat, Greenland
Transfer from Keflavik airport to the downtown Reykjavik airport for your flight to Ilulissat in West Greenland. Transfer to Hotel Arctic and check-in for a four-night stay. Join your destination guide for an information meeting about the area followed by a walking tour of the town. Welcome dinner this evening.

Depending on your arrival time to Keflavik, accommodation in Iceland may be required pre-tour, which we can add on to your program. Want more time in Iceland? We can arrange that for you, too!

Day 2 & 3: Ilulissat at leisure
Three full days in Ilulissat allow plenty of time for optional excursions, including boat cruises among the icebergs and to the glacier and a helicopter tour to the Ice Cap. Active options include fishing, whale watching and moderate to demanding hikes. Don't miss a boat tour to the Eqi Glacier and experience the sights and sounds of an active, calving glacier at close range.

Day 4: Ilulissat at leisure – farewell dinner
This morning and afternoon are free to do more touring or just relax and explore the town. This evening features a farewell group dinner at your hotel.

Day 5: Ilulissat, Greenland – Reykjavik, Iceland

A transfer is provided to the airport for your return flight to Reykjavik. You may transfer to Keflavik Airport for your onward flight or your return flight home or extend your itinerary to include some time in Iceland.

Depending on your departure time from Keflavik, accommodation in Iceland may be required post-tour. We are happy to quote you on the extra nights of accommodation that are needed and touring in Iceland, if you wish to add on some time.
