ITINERARY

Day 1: Arrival

Arrive at Keflavik airport and transfer to Reykjavik (not included), with a full day to explore the city. Early check-in at your hotel is not guaranteed with general check-in beginning around 2:00 p.m. You may, however, leave your luggage in the hotel’s baggage storage and go out for a walk and some lunch before returning to check in. You have the option of taking an afternoon city tour, a whale watching tour from the old harbour or a Hop On Hop Off bus pass for the day.

Ingolfur Arnarson, the first settler of Iceland, built his farm on the peninsula where Reykjavik stands today. The town got its name “Smoky Bay” after the columns of steam that rose from the hot springs in the area and made such a deep impression on the first settlers. Dinner is on your own. Reykjavik offers a multitude of restaurants and/or coffee-houses, making dinner a great way to get better acquainted with Iceland’s capital. Overnight in Reykjavik.

Day 2: Geysir – Gullfoss Waterfall – Skogar-Dyrholaey- Vik

Breakfast at your hotel. Start the day with a short city sightseeing of Reykjavik. From Reykjavik head through the greenhouse village of Hveragerdi. Head on to the Golden Circle natural wonders. Explore Gullfoss, the “Golden Waterfall”, and the nearby Geysir hot spring area to see the famous Geysir and Strokkur, as well as numerous other hot springs and boiling mud pools. Continue along the south shore and stop to admire the waterfalls Seljalandsfoss and Skogafoss before continuing to Dyrholaey* nature reserve. Continue to the village of Vik. Dinner and overnight stay in the Vik area.

**Please note that Dyrholaey is closed during nesting season in spring, approximately mid-May until June 25th.*

Day 3: Vik – Skaftafell National Park – Jökulsárlón Glacial Lagoon – Höfn

Breakfast at your hotel. Continue your journey along the Ring Road. Cross Eldhraun, the largest lava flow recorded on the planet in historical times. Visit Kirkjubaejarklaustur town, the former site of a 12th-century Catholic convent. The tour continues over Skeidararsandur sands to Skaftafell, a beautiful glacial area within Vatnajokull National Park. Continue to the stunning Jokulsarlon Glacial Lagoon to see the birthplace of icebergs. As you head east, you will continue to enjoy magnificent views of mighty Vatnajokull, Europe’s largest glacier. Your destination is Hofn, a seacoast village located near the glacier. Dinner and overnight stay in the Hofn area.

Day 4: Höfn – East Fjords – Egilsstaðir

Breakfast at your hotel. Today you’ll enjoy amazing scenery as you head from glacial landscapes to fjord views. Drive from Hofn through Almannaskard pass, stopping to admire the majestic coastline. Head into the magnificent East

Fjords with its views of towering mountains plunging vertically into the sea. Pass through coastal fjord villages on your way to Egilsstaðir. Dinner and overnight stay in the Egilsstaðir area.

Day 5: Lake Mývatn area

On the way, stop at Dettifoss, Europe's most powerful waterfall. Continue onwards to Namaskard pass with its boiling mud pools and vibrant colours. Explore the natural beauty of the Lake Myvatn area, including the pseudo craters at Skutustadir and the Laxa Salmon River. One of the Myvatn area's claims to fame is that it is home to more species of ducks than any other place on Earth, with very diverse birdlife in general. Dinner and overnight stay in the Myvatn area.

Day 6: Lake Mývatn - Akureyri - Siglufjordur

Breakfast at your hotel. Start the day by exploring the peculiar lava formations at Dimmuborgir. Visit the magnificent Godafoss waterfall and the old turf farm Laufas. Afterwards, visit Akureyri, the colourful northern "capital" of Iceland. The town has charming buildings and beautiful view of the Eyjafjordur Fjord. After spending some time in Akureyri, continue along the coastal roads of Eyjafjordur and the Troll Peninsula. This is a beautiful drive along steep mountains with amazing views over the Arctic Sea and black sand coastline. The destination is Siglufjordur, set in a beautiful fjord of the same name. This town has some of the finest timber buildings in the country, beautifully restored to their original glory. The evening and dinner is on your own at one of the town's restaurants. Siglufjordur is a very enjoyable and friendly town for an evening stroll. Overnight in Siglufjörður. Dinner is on your own this evening, with lots of options in Akureyri to choose from.

Day 7: Skagafjörður - Borgarnes

Breakfast at your hotel. This morning visit Siglufjordur's award-winning Herring-Era Museum. The museum recreates the atmosphere of the early 20th century, when Siglufjordur was transformed into a herring boom town, thanks to a large migration of herring. Afterwards, head along majestic mountains and narrow passes lead to Skagafjordur, considered to be one of the finest places in Iceland for horse breeding. Enjoy an introduction to the unique Icelandic horse breed with its special fifth gait - the tolt. Continue towards the village of Blonduos built on both sides of the river Blanda. This UNESCO heritage site is where the world's oldest continuing parliamentary government was founded in the 10th century. It is also the place where the North American and European tectonic plates meet. Overnight stay in Reykjavík. Dinner is on your own, with a multitude of dining options in the capital.
