TOUR NOTES

If this tour is being used as an add-on to an existing self-drive program that already includes the drive up the west coast from Reykjavik to the Snaefellsness Peninsula some adjustments will need to be made.

Worried about finding your way around? Don't be! We'll give you the best possible driving directions, written by Icelanders (translated into English, of course!), in addition to a GPS in the rental vehicle and a mobile phone, yours to keep.

Vehicle rental may be upgraded to a larger size, a 4WD, an automatic transmission, a van or luxury vehicle. Prices on request.

Option 2: Drive round trip

A full day to explore, and possibly hike, kayak, cycle or take an optional boat cruise.

Day 4: Isafjordur – Reykjavik
